SANDMAN'S BACK IN TOWN

STARRING

Nova Noah

Also attending the shuttle's return from outer space is Nova Noah.

This is an awesome field trip!

The astronauts have returned from a trip to Mars where they found a space diamond.

Wow! That diamond is as big as a football.

That's gotta be worth a billion dollars!

Ah... just what I need to fatten my bank account!

The fun turns to fright when Sandman attacks.

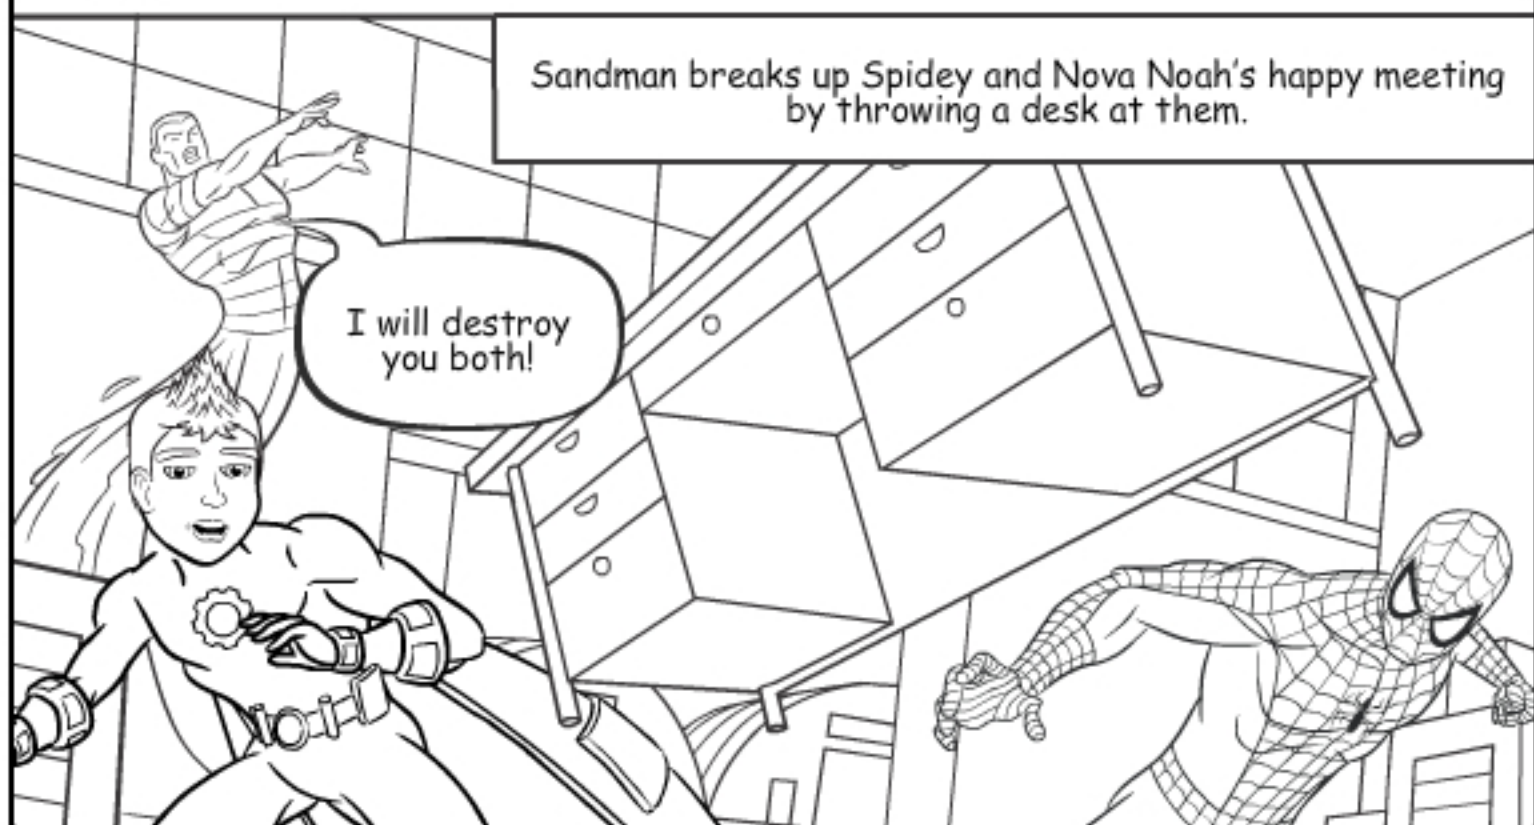

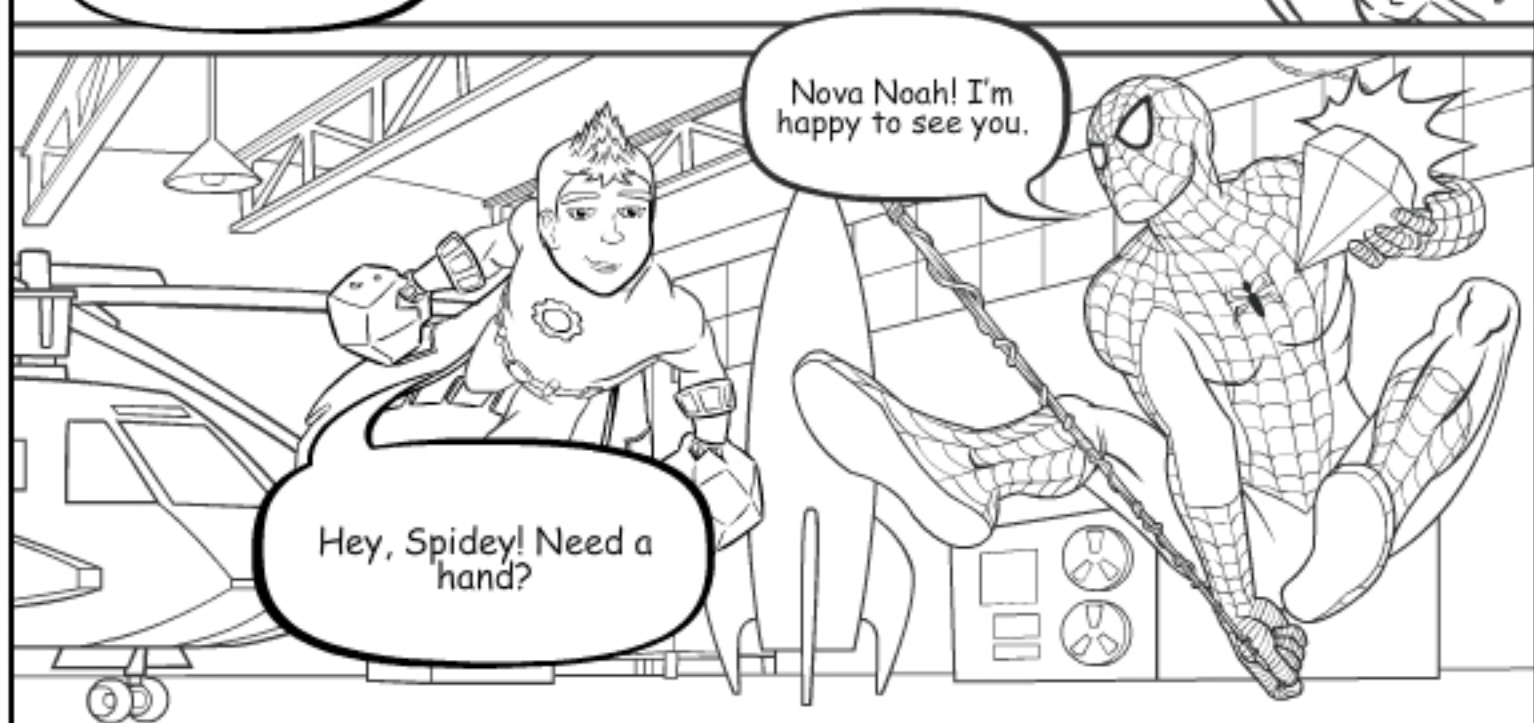

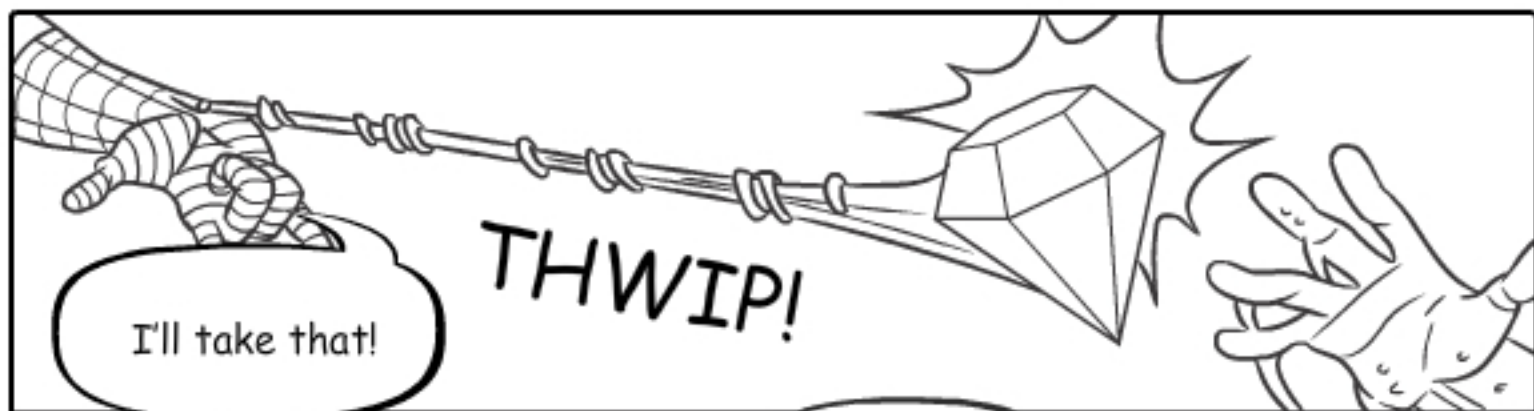

As the crowd panics, Peter and Nova Noah keep their cool.

A black and white comic book panel showing Spider-Man and Sandman. Spider-Man is on the left, wearing his iconic suit and mask, with a determined expression. He is holding a large, rectangular block of sand. Sandman is on the right, also wearing a suit and mask, looking angry. He is holding a large, rectangular block of sand. The background shows a city street with a building and a fence. The scene is filled with sand and debris, suggesting a recent battle.

You've been a bad boy, Sandy. You need a timeout.

Today I'll defeat you once and for all, web-slinger!

Spider-man hands the space diamond to a jet pilot .

Here you go, and
not a scratch on
it.

Thank you,
Spider-Man.

This isn't over just
yet, Spider-Man.

Let's see you stop all of
these missiles!

Now, they're harmless.

Watch out, Nova Noah!

You ruined my plans, Nova Noah. Now I'm going to ruin you!

Nova Noah knows Sandman has a weakness to water.

You did great today, Nova
Noah. I'm proud to call
you my friend.

Thanks, Spidey. You're
the best.
